## **ChiliTech & Penn Square Apartments setup Wireless Internet for Students**

Tue. July 21, 2009 9:58pm ET

WILLIAMSPORT, PA – ChiliTech has completed the installation of the largest private wireless network in the area for Penn Square Apartments., a major provider of student housing. This private network will provide High Speed Internet access to all tenants residing in any of Penn Square's buildings.

Penn Square tenants may now access High Speed Internet service from any WiFi enabled device such as a PC, Laptop or iPhone. ChiliTech has strategically placed additional equipment to provide wireless (WiFi) coverage throughout the entire Penn Square complex. The owners of Penn Square recognized the need for high quality, reliable internet access demanded by today's students, and invested heavily state of the art technology. Although ChiliTech has been offering high-speed wireless Internet service for several years, this latest Penn Square project offers consumer benefits far beyond our original deployment. Our expanded coverage area provides residential and commercial customers with a reliable, high-speed alternative for Internet Access.

As a wireless broadband pioneer, ChiliTech has been driving and delivering innovations for over 8 years from dialup internet access to voice and data solutions for your home and business. You may learn more about ChiliTech by visiting our web site at [www.chilitech.net](http://www.chilitech.net).
